

CORE VALUES

I

INTEGRITY

Upholding honesty and strong moral principles in all interactions. To build trust both internally (within Buono) and externally (with clients, partners and customers).

D

DIGNITY

Treating all individuals with respect and recognizing the inherent worth of every person, regardless of their position or role.

E

EDUCATION

Promoting continuous learning and development within the organization. Encouraging employees to improve their skills and knowledge benefits the individual and our company as a whole.

A

ACCOUNTABILITY

Ensuring everyone takes responsibility for their actions, decisions and performance. To drive a high standard of work creates a culture of trust and ownership.

L

LOYALTY

Being faithful, devoted to even when your faced with adversity.
