

Northwestern Health Sciences University Employee Value Proposition

We're Proud to Have You
Join the Team at Northwestern
Health Sciences University!

As an employee at Northwestern Health Sciences University, you'll quickly learn how employees are deeply dedicated to the success of our institution. Their purpose, passion and deep commitment to unparalleled education and integrated healthcare is interlaced throughout every aspect of the organization. They're united in helping to shift paradigms to bring whole person holistic practices to the forefront of healthcare by challenging themselves every day – whether it's working with students, alumni, patients, the community or each other. We believe these challenges lead the way in integrating wellness into healthcare on every level every day which inspires people to lead healthier, more productive lives. It's woven into our mission and our culture. It's who we are. We're excited to have you be a part of the forefront of healthcare and pursuit of wellness.

Our Vision: We are a premier health sciences university creating a healthier world.

Live, Learn, Serve Healthy!
